1. Introduction

Welcome to the STUDI-web-app user manual. This document will guide you through the main features of the web application, helping you to make the most of our tools.

2. Web Application

Home Page

The home page provides a description of the hospital and a list of the services it offers. To access additional features, please create an account or log in.

Patient Account Creation

1. Click on "S'inscrire".
2. Fill out the form with your last name, first name, postal address, email and password.
3. Click then validate the reCAPTCHA.

Patient Account Connexion

1. Click on "Se connecter".
2. Fill out the form with your email and password. For example:
 - Email: test@test.com
 - Password: test

3. Click then validate the reCAPTCHA.

Admin Account Connexion

1. Click on "Se connecter".
2. Fill out the form with your email and password. For example:
 - Email: admin@admin.com
 - Password: ademain
3. Click then validate the reCAPTCHA.

User Dashboard

After logging in, access your user dashboard to view your stay history, including past, current, and upcoming stays (button “Historique”) and booking a stay. You can also log out to go back to public dashboard (button “Se déconnecter”).

Booking a Stay

1. Click on "Organiser mon séjour" in the main menu.
2. Select a start and end date.
3. Specify the reason for your stay, the required specialty, and the desired doctor.
4. Click on "Confirmer" (available only if you are logged in).

Admin Dashboard

After logging in, access your admin dashboard to view all doctors (button “Doctor.s”) and plannings (button “Planning.s”) from today. You can also log out to go back to public dashboard (button “Se déconnecter”).

This feature is reserved for administrators. Create doctors and change them schedules. A doctor can handle up to 5 patients per day.

Add a new Doctor

1. Click on "Ajouter un nouveau doctor" in the main menu.
2. Fill the last and first doctor names.
3. Specify its specialty.
4. Click on "Confirmer" (available only if you are logged in).

Managing Doctor Schedules

1. Click on "Modifier le planning des docteurs" in the main menu.
2. Choose the ID and the doctor who will replace.
3. Click on "Confirmer" (available only if you are logged in).

3. Contact and Support

For any questions or assistance, please contact our support:

- Email: support@soignemoi.com
- Phone: +33 1 23 45 67 8X

4. Appendices

- Graphic Charter (refer to /docs),
- Wireframe & Mockup (refer to /design).
